Fun Halloween Styles

Each year, kids and adults alike dress up in fun and spooky costumes and enjoy a festive Halloween. This year, Salon Xia has gathered some of the trendiest Halloween style ideas:

- Witch – Fans of *Wicked* and *The Wizard of Oz* love dressing up like the wicked witch. To take your costume to the next level, paint your exposed skin green!
- Super Hero – From the *Avengers* to *Batman*, super heroes are one of the most popular Halloween costume choices. Whether you want to try red hair and go as Widow, or need face paint to be Cat Woman, Salon Xia has you covered.
- Zombie – If you are looking for a scary costume this Halloween, why not take a page from *The Walking Dead*? Our skilled makeup artists can help you get that spooky corpse look you want!
- Vampire – Pale skin, slicked back hair and bloody fangs are hallmarks of a good Vampire. The specialty makeup artists can help you get that “undead” spooky look.
